Nandanam

Karuvachery, Nileshtar (PO)

Kasaragod

Education:

- B.Sc (Hons.) Agriculture : College of Agriculture, Padannakkad, Kerala, OGPA 8.83 (2017)
- M. Sc(Ag) (Agronomy) : College of Agriculture, Vellayani, Kerala, OGPA8.45 (2019)
- Ph.D in Agronomy, College of Agriculture, Vellayani, Kerala (OGPA-8.89) (2019-2022)
- Qualified ASRB NET exam in 2021 by securing 50 % marks of the qualifying cutoff.

Project Experience:

- M.Sc. research (2 years)
Integrated nutrient management in baby corn (*Zea mays L.*)
- Ph.D research (3 years)
Crop intensification and nutrient management in coconut based multistoried cropping system in Southern Laterites (AEU 8).

Published papers

1. Effect of integrated nutrient management practices on the nutrient content and organoleptic properties of baby corn (*Zea mays L.*)
2. Corn –the wonder cereal for food and nutritional security
3. Maize- the crop for tomorrow- a review
4. Floor crop nutrition on microbial interactions in coconut based multitier cropping system
5. Carbon sequestration potential in coconut based cropping system-a review
6. Effect of crop combinations on Nut Equivalent yield and economics of coconut based cropping system
7. Effect of baby corn-vegetable intercropping systems on light interception by canopy and competition indices

Professional Experience

NGO and SHG training

- Visit to kudumbasree unit, mussel farming unit and VFPCCK, hand on experience on the mussel farming, vegetable marketing and record keeping.

Agroclinics and field Visits

- Interaction with farmers, field visits, problem detection and solving, providing recommendations
- Hands on experience on field works like paddy transplanting, scouting, spraying and harvesting
- Consultancy services in the field of crop production, plant health management, post-harvest handling, value addition and product diversification which

Computer Literacy:

MS Office (Access, Excel, Power point, Word),

Cultural & Other Activities:

- Participated in **National Conference for post-graduate students** at Guntur, conducted an oral presentation on Nutrient management in baby corn.
- Participated in **National seminar on sustainable agriculture conducted by AIASA** in Kerala, poster presented on Maize; the corner stone for food security
- Participated in **National Conference on Bio invasions - Trends, Threats and Management conducted by KSBB** , Presented paper and poster
- **Scout and Guide**, actively participated in special camps.
- Participated in **National Service Scheme (NSS)** and involved in their activities
- Participated in one day training programme on **Prospective agronomic interventions for sustainability in agriculture**

Yours sincerely
